## **MEDIA ADVISORY**

FOR IMMEDIATE RELEASE

September 15, 2010

### **Artist to work against clock for world record at marathon in Hamburg; proceeds to charity**

The Guinness Book of World Records gives artist clearance to record event as an entry

- What:** Working against the clock, insurmountable odds and sleep deprivation, Eric Armusik will hold a first ever "Portrait Marathon" at the Historic American House Hotel in Hamburg Pennsylvania. For 48 hours straight, Armusik will paint portraits. The Guinness Book of World Records has given the world renowned artist clearance to record his painting marathon as an entry.
- Who:** Eric Armusik is a professional fine artist specializing in baroque realist and dramatic figurative works. His skills are appreciated by critics and patrons because of his ability to combine technical brilliance with elaborate drama and emotion in both his figures and their settings.
- Where:** The Historic American House Hotel, 2 N. 4th Street, Hamburg, PA 19526
- When:** The marathon will begin at noon on Friday September 17, and continue till noon on Sunday.
